CAMP GHORMLEY

NACHES, WA

2020 ADVENTURE CAMP TRANSFERS AND REFUNDS OPTIONS

In light of Yakima County's current Phase 1 status, with continuing growth in spread of COVID-19, we regretfully will have to cancel our planned Adventure Camps for July.

Parents of campers registered or waitlisted for 2020 Adventure Camp sessions will have the following options for transferring or refunding their payments:

- Transfer payment to a 2021 summer session, at 2020 rates.
- Donate payment to Camp Ghormley as a tax-deductible donation.
- Receive a full refund by check.

TRANSFER PAYMENT TO A 2021 SUMMER SESSION, AT 2020 RATES

Families of currently registered campers will have the option to apply their 2020 camp payment to a 2021 summer session, at 2020 rates. Families that choose to transfer their full or partial camp payment to a 2021 session will receive a discount that reduces their price to the 2020 rate. For example, if a camper's balance is paid in full for 2020, their payment can be transferred to an equivalent 2021 session and still be paid in full.

*We expect summer camp rates to significantly increase next year, as we look at the far-reaching impact of COVID-19 on Camp Ghormley. **Transferring your payment now ensures that your camper can attend at current rates.***

Full or partial 2020 payments may be transferred to 2021 sessions to receive the 2020 rates. If a camper is moving up in sessions for the 2021 summer, families may still receive the 2020 rates when they transfer their 2020 payment, but they will be expected to pay the remaining balance by the time their camper attends camp.

Families must choose to transfer their 2020 payment by June 30, 2020 to attend a 2021 session at 2020 rates.

2021 dates are posted on the homepage of the Camp Ghormley website, near the bottom of the screen.

Note: This option not only saves a camper's spot for a session next year, but transferring funds for next year's sessions will also help to sustain Camp Ghormley through this season of limited income.

DONATE PAYMENT TO CAMP GHORMLEY

Families may choose to donate all or part of their 2020 camp payment to Camp Ghormley. All donations are tax-deductible. Donations will be used where needed most to keep Ghormley open and functioning during this time of uncertainty.

RECEIVE A CHECK REFUND

Camp Ghormley is offering full refunds – including deposit – to families who have made payments for 2020 camp sessions. These refunds will be by check. Credit refunds will not be processed at this time. Families can expect to receive their check within one month of their request for a refund.

LET US KNOW WHAT YOU DECIDE!

Call the office at 509-672-4311 or email at office@campghormley.com to let us know how you would like to proceed with your 2020 camp payment. If we have not heard from you by June 30, all payments will be refunded by check to the address on file.
